Theater can be a little scary sometimes! If you're feeling scared you can always:

Cover your eyes.

Hold hands with a grown up.

Cover your ears with your hands or headphones

Play with fidget toy.

Take a break from the show and visit the Hobby Center Quiet and Activity Areas.

There are lots of helpers at the Hobby Center!

Theater staff are here to answer any of my questions!

Access Team volunteers help with wheelchairs and mobility needs.

Volunteers may scan my ticket, give me a Playbill or help me find my seat.
